Many accounts have been suspended, huh…
What happens if we die in Arcana?
You don't really die but your account is suspended for 28 days.
It lowers your rank.
Otherwise, you wouldn't admit defeat, would you?
You can reactivate your account but Date will find you.
You gotta watch out.
I hear a rumor that there is a group that is actually making death penalties on purpose.
They are called "rank busters".

hug
Phoa!
Daisuke-kuuuun!!
Check this big news out!
It's about the rank busters, right?
too close…
There's a limit of two per person, so let's go!
You have no sense of danger!!
You too, Mari-chan!
draaaaaaaag
Me too!? Why?
What are you talking about?
There's a half-price sale on Taiyaki burgers today!!

Oh yeah …
Noriko, aren't you worried about the rank busters?
This is so good.
chomp chomp chomp
You're gonna eat them all?

Ah… I see…
I will make them into the mince for Taiyaki burgers!
Hehehehe, you know how strong I am, don't know?

tap
tap

Give it to me
No way

Who are you guys!?
Huh? Wait a second!
We're not interested in him.
That's not him, he's ranked 97068 and an O (out) ranker.
chill
.....!
We said we're not interested in you!

lick
^O
D..
Hmmmmm...
Hey, come and fight us!
Hahahahaha, you are ranked 2894 and an S ranker, bingo!

You guys are both 0 (out) rankers, ranked 71990 and 83151.
I feel so strong today!
Actually I can fight both of you at the same time.
Which of you will fight me?

Be good, Tenki.
Meh, it doesn't matter. We will fight together against you as you suggested.
Come on! Why do I have to team up with you.
Duwahahaha!! She has got guts and she is just my taste! Right, Yasha?
Big boobs too!

You worry too much, Daisuke-kun.
It's dangerous even to you Noriko!
You can relax and watch our battle at Arcana

I will show you my true power!
arcana
You are a ranker and so I presume you don't have any problems with it?
We will prepare the home.
Open Arcana!
vsssshhhhh

Right on, all my power!
We don't have much time.
Myojo Oracle Costume "Excellent Luck" Mode!
Let's split into two and wrap it up all at once! Myojo-sama!
Yasha, let me handle the girl!
..... Sure, I will take care of the monster.

birrrrrrrrrr
He flies!?
ziiiiiip
Woohoo!! Let's run and gun!!

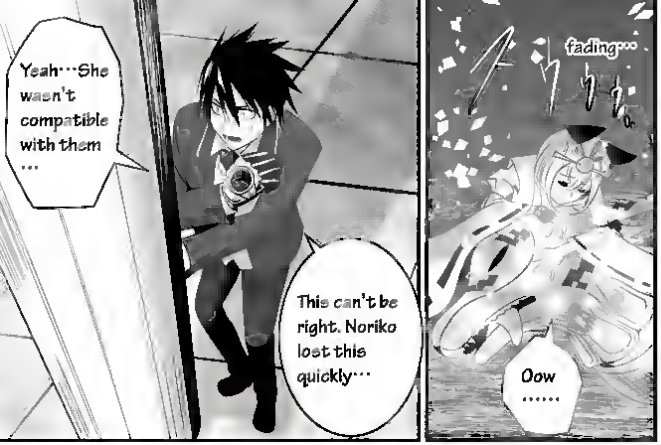
booo
Argh!
They are too fast so I can't target them!!
We can play a little bit longer! Hiiiiyaaaaaa!

I've never seen any opponent fly this fast ……
crack
Grrrr!
biiiiirrrrrr
swoosh
But I'm invincible!
Paper fortune arrow of excellent luck!!

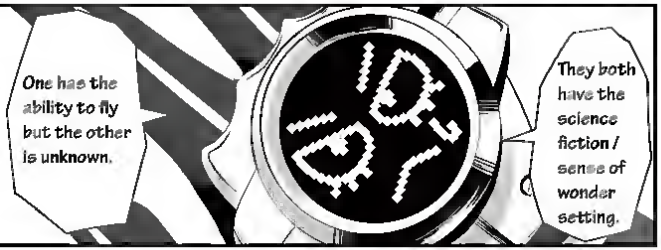
Slice
zing
My luck is excellent today!
This arrow never misses its target!
Bonk
grin
Well? Is that it?
That can't be true. He cut my paper fortune arrow of excellent luck in half!?

Then what?
Then ……
大吉
Let me see……
Myojo-sama!
Who is this guy!?
He's way too quick!!

What? Are you trying to summon the monster?
Hahahaha, you can't do that!
Because ……
biiiirrrr
It's already dead
No way… Myojo-sama!

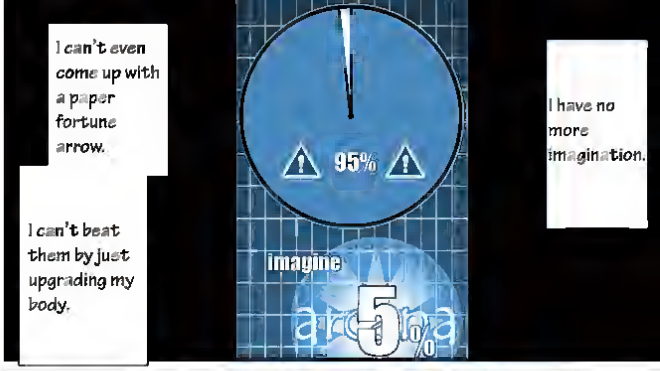


Yeah…She wasn't compatible with them …
This can't be right. Noriko lost this quickly…
fading…
Oow ……

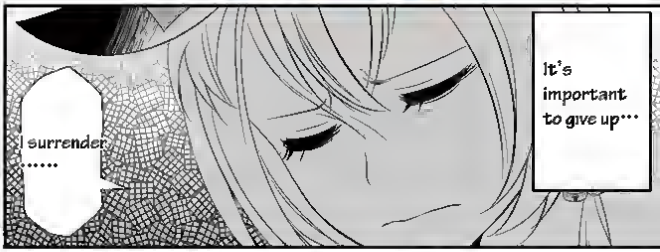


One has the ability to fly but the other is unknown.
They both have the science fiction / sense of wonder setting.

I can beat the heck out of the main body and it is fun.
Because the summon-your-fantasy / fantasia setting uses most of her imagination summoning the monster,



I can't even come up with a paper fortune arrow.
I can't beat them by just upgrading my body.
95%
imagine
I have no more imagination.



I surrender……
It's important to give up…

……!?

What is happening Habu-san!?
……
That's …!
The fight doesn't finish!?
……
I surrender!!
What is going to happen to Noriko then!?
She will have to outrun these guys during the time or ……
She will be killed
That's like ……!
……
right
This home has been hacked!
error
As it is independent from the Arcana administration the command does not work!

They are
rank busters!!
Nah, you can't
Communications have also been blocked
Hee-hee
beep
I am going to report you ……
Hmmm!?
This fight should be invalid!

Why are you guys doing this……!?
We don't want to become top rankers nor be rewarded for completing games.
We want to destroy Arcana!

With that abilities, they are quite strong!
If they show their true abilities, they must be J (Jack) rankers or even higher……
This hacking is quite powerful.
No wonder the rank doesn't change.
There's nothing you can do.
We can bring them to a tag match but they're too strong.
But!
Can't we do something!?
Be cool, even if she dies here she's not dead in reality.
Noriko has to retire here!

I still have a chance. I outrun and make this fight a draw!
I can't afford to lose!
Oh?
dash
Hehehehe, I like it, I like it a lot!
Heehaw! Let's play until the end of the time!
arcana time limit
07:11.21

hiiaaa
poof
Ahh
Phew phew!
bam
Looking good, I love that face!
pluck

rip
Heehaw, this is fun, so much fun!
Help me, sis…
Oh no, what happened to your toughness?

Lick
I will make you feel it really good,
quiver quiver
hee-hee
Don't you think that the only merit of Arcana is that you feel pain?
Grrrr!
haw
Feels great!
So you can't come back to Arcana ever again!

If you stop me, I will kill you first!
grab
You're acting too wild Tenki.
I will report any unnecessary actions, you know.
..... Tsk!
slash
Terminate yourself,
or I will kill you!
No, NOOO!
drop drop

I just can't give up here, no, I can't
I swore to rescue my sister.
Sis ……
clink
Wait!!
Time is up.

Now you will fight me!
Yamamoto!?
Huh!? Small fry like you shouldn't be here!
Screw you!
Arcana might be just a game for you guys,
but for us it's a dream

But I just can't leave her like this!
Don't! Even Noriko couldn't beat them!
And you can't surrender!

I just have to beat them up!
I am so angry that

Fine. We can change the remaining three minutes to a tag match.
Don't get fired up, asshole.

I, Yasha, will fight you.
